## Grant Abstracts

**Jim C. Bailey Middle, Grades 6-8, "Launch the Bus Challenge Breakout EDU" (STEM and Literacy)** Do you want to be the next Sir Arthur Conan Doyle? Use your skills to launch the bus for an exciting and unknown destination! The Breakout EDU Bus creates a unique one-of-a-kind environment while engaging students in problem-solving and inquiry-based learning, augmenting any subject area. Critical Thinking, Collaboration, Creativity and Communication are Breakout EDU's 4 "C's" directed towards learning and engagement. THIS is what learning is all about!

**Lead Contact: Roberta D. Wetzel**  
**"All aBoard!" Liaison: Sharon Pitts**

# Transportation provided a surplus bus!

**Without transportation's assistance, this project would not have been completed!**

**Through participation in the Escambia County Grants for Excellence, the project was started and completed with many hearts and hands included in the process! Special thanks to my principal, Mrs. Janet Penrose!**

The graphic design for our Bailey Breakout Bus was created by one of our own students.  
Karina, Seventh Grade

**Front of our Bus!**

**And now for the inside of our bus! From this . . .**

# Almost!

**We still have some inside items to complete including digital capabilities, awnings and picnic tables outside for group work.**

To this!
