

## Media Ground Rules

These Ground Rules are specific to the *2019 Modern Warfare Symposium*, 21-22 November, Iron Mike Conference Center, and are not intended for blanket use at all Global SOF Foundation (GSF) functions.

The *2019 Modern Warfare Symposium* is open to accredited and registered journalists. Failure to adhere to the prescribed ground rules can be grounds for dismissal from the Symposium.

GSF may also independently record and interview with the interviewee’s approval.

- Media are invited to social events but are prohibited from conducting interviews at these locations. Photography and filming are prohibited anytime alcohol is served.
- Social sharing from an open session or in a common area is authorized using the **#ModernARSOF**.

## **Definition of Terms**

### On the Record

Information may be quoted directly and attributed to the official by name and title.

### On Background

The official's remarks may be quoted directly or paraphrased and are attributed to a "Subject matter expert" or a "GSF Official," as mutually determined by the official and the media member.

### On Deep Background

The source cannot be quoted or identified in any manner, not even as "an unnamed source." The information is usually couched in such phrases as "it is understood that" or "it has been learned." The information may be used to help present the story or to gain a better understanding of the subject, but the knowledge is that of the reporter, not the source.

### Off the Record

Nothing of what the journalist is told may be used in the story. The information is meant only for the education of the reporter.

### Chatham House Rules

When a meeting, or part thereof, is held under the Chatham House Rule, participants are free to use the information received, but neither the identity nor the affiliation of the speaker(s), nor that of any other participant, may be revealed.
