

1  
Login  
to Y-Pay

2

**Select your location –**  
Locations can be found by clicking the list view button or by selecting the location GPS flag if you are in close proximity to the location.

3

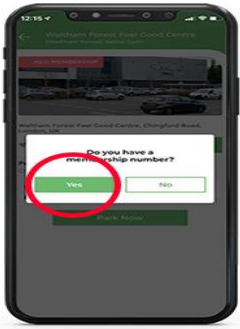

Once you have selected your location, you will see the location screen. You should select the add membership button above the location image.

**CONTACT US**

[www.y-pay.co.uk](http://www.y-pay.co.uk)

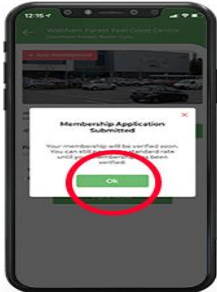

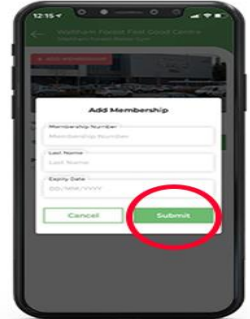

4

You will have a prompt appear which asks if you have a membership number, select yes to proceed.

5

Complete the information requested and press the submit button. The membership number should be located on your membership card. (The expiry date is not a mandatory field as it is not used at all locations)

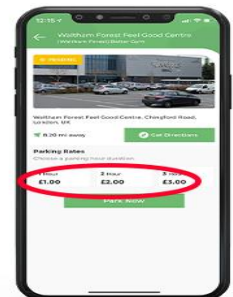

6

You will see a confirmation message that you have submitted your membership request. Press ok to continue using the app as usual.

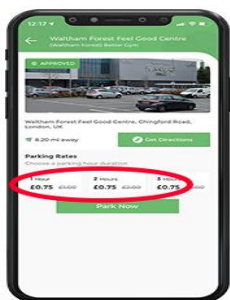

7

Until your membership request has been approved, the usual tariffs will be active, and you will see the add membership icon has changed to say pending.

8

Once your membership has been approved, the icon will change to say approved and you will now see the special charge rates. you can enjoy using the app at a reduced cost compared to a standard user.
