Swimming* In line with our Swim Safely policy only children over the age of 8 who can swim at least 25m are permitted to take part in general swimming sessions. Any child unable to swim 25m will only be able to take part in swimming lessons/special "Swim For All" sessions (if available). Under 8's and non swimmers (those who can not swim at least 25m) are only permitted to swim as part of swimming lessons/special "Swim For All" sessions. Alternative activities will be provided for those children who do not wish to swim or if swimming lessons are not available.
We recommend children do not bring valuables to the Holiday Club. GLL will not be held responsible for any items children bring from home.
Each child must have a packed lunch or purchase food, drinks, snacks from the premises via the appropriate procedures.
Please be advised that occasional use of our external facilities may apply. Weather conditions are to be considered and appropriate sun protection and clothing should be warm. If you do not want to use our external facilities please advise a member of staff in advance. Rehydration is extremely important and all participants should attend each session with appropriate refreshments.
