DID YOU KNOW?

Swimming is an essential life saving skill, as well as one of the most healthy and fun activities! It improves strength, stamina, flexibility and posture - keeping your child active and happy at the same time. To support children develop a love of swimming that lasts a lifetime; all children in the Didcot Wave Swim School can swim for FREE in any of the Wave's Swim4All Sessions! For more information, please speak to a member of staff.

Please be aware swim safely rules apply for these sessions.

DIDCOT DINOSAUR WEEK

We hope you enjoyed the fun in our Didcot Dinosaur Week!

Keep an eye on our BETTER Didcot Facebook page, noticeboards and newsletters for our next themed week!

NEW ACADEMY LESSON!

Exciting news! We are now offering another Academy Swimming Lesson on Tuesdays! 6-6:45pm suitable for children who have completed development and ready for the next step!

Academy classes focused on self-led progression and advanced safety techniques. Lessons include setting personal targets, junior lifesaving and personal survival techniques.
