HIRE AN ICON

National and international sporting events

Lee Valley White Water Centre in Waltham Cross stands as a proud legacy of the London 2012 Olympic Games. Having hosted Team GB's gold medal-winning canoe slalom events and welcomed over 50,000 spectators, it has become a premier venue for both national and international events.

Beyond corporate gatherings, the centre has staged major competitions such as the ICF Canoe Slalom World Cup and World Championships. As the training base for Paddle UK's canoe slalom squad and Team GB athletes, it continues to foster elite talent, with its athletes' securing medals in Kayak Cross and canoe slalom events at the Paris 2024 Games.
