

## Bluff View Art District Scavenger Hunt

### Exterior

1. For weary travelers I'm a welcome sight - a vibrant red, cheery, and bright. At the entrance to the Inn, I'm easy to see. Look between the flower pots, you can't miss me.
2. Through the window you can look into this kitchen's little nook. A chocolatier's tools make a whimsical sight, his creations are sure to delight.
3. Poised about the river ready to fly, equipped with wings he'll take to the sky. Inspired by Greek mythology and lore, too close to the sun did he soar.
4. Follow your nose, this spot you can smell. Find flour footprints and you'll do well. The ovens are hot, the bread ready to eat, be sure to try a loaf - it's a treat!
5. Grab a cup of coffee, sandwich and a sweet, out on the patio you can take a seat. House-roasted coffee and pastries are my claims to fame; a famous artist and I share a name.

*Exterior Prize: Show all exterior photos to someone at the ticket desk and get your prize of an art-themed sticker.*

Scavenger Hunt is available any time of year. Prizes listed are **only** available March 10-April 9, 2017 as a part of the Chattanooga Spring Break Safari.
