RULES OF THE GAME

We have chosen 50 Geocaches (EarthCaches, virtuals and traditionals) in Estes Park, Grand Lake, and RMNP for you to find, relating to Wilderness, Wildlife, Wonder and RMNP's Centennial History. Each cache has either a special passcode to log in this Passport or a question to answer about your visit. Log the caches online at Geocaching.com, and be sure to submit EarthCache & Virtual Cache answers accordingly.

Stamp your Passport in Rocky Mountain National Park at Beaver Meadows Visitor Center, Alpine Visitor Center*, and Kawuneechee Visitor Center. Passport stamps are found at each Visitor Center's front desk. *The Alpine Visitor Center stamp is not available during winter months and when Trail Ridge Road is closed for weather conditions.

You can earn souvenir commemorative coins for Grand Lake and Estes Park by finding 10 caches on each side of the Divide, and getting the RMNP stamp in the nearest National Park Visitor Center. If you find & log any 35 caches on this Passport, and get 2 RMNP stamps, you also earn a souvenir Centennial Coin. Complete the entire 50-cache GeoTour, with all 3 RMNP stamps, for the trackable Across the Divide Geocoin.

Log your finds on Geocaching.com. Complete the Passport with the codes & answers written in for 10 caches, 35 caches, or all 50 caches, plus the National Park Stamps. Bring your Passport to the Grand Lake Visitor Center or Estes Park Visitor Center, where you collect your Souvenir coins & the Centennial coin. The trackable Geocoin will be awarded only after cache finds are verified.

Geocoins may be mailed to US addresses only. One geocoin will be awarded per passport, geocacher, address, family, or Geocache Team. All coins are subject to availability
