

Rockford Rain Art

Rockford Rain Art, a public art initiative in downtown Rockford, aims to bring a bit of joy to what might be a gloomy, rainy day. The art is visible only when the sidewalk is wet! So, if rain isn't in the forecast, grab a bottle of water and create your own rain! Learn more about Rockford Rain Art at www.gorockford.com/rainart. Share your Rain Art photos with #rockfordrainart #gorockford #rockfordexplorer
